MEMORANDUM

Agenda No:	9.1
Mtg Date:	FEB. 23/15

TO: Regional Board

FROM: Patty Hanson
Director, Central Okanagan East

DATE: February 12, 2015

SUBJECT: Proposed Resolution for SILGA – Reduction of Speed Limits on Rural Highways

I request that the Regional Board endorse the following resolution to be submitted to the SILGA 2015 Convention for consideration.

Reduction of Speed Limits to 80 k/hr on Rural Highways

WHEREAS the safety of rural highways in British Columbia is being questioned by many residents living in rural BC since the Ministry of Transportation and Infrastructure increased the speed limit on many of these highways to 100 k/hr in 2014;

AND WHEREAS speed limits in rural British Columbia do vary from region to region;

THEREFORE BE IT RESOLVED that the Ministry of Transportation and Infrastructure be requested to formalize a process of lowering the speed limit on rural highways that pass through rural communities and neighbourhoods upon receipt of a Regional Board resolution to that effect.

Approved for Board's Consideration

A handwritten signature in black ink that reads 'Brian Reardon'. Below the signature is a horizontal line, and underneath that line, the name 'Brian Reardon, CAO' is printed in a standard font.
