Highlights of the Regular Regional Board Meeting – September 29, 2014

Fire Department Mutual Aid Agreement

The Regional Board has approved a new Mutual Aid Agreement between the Regional District of Central Okanagan and Regional District of Kootenay Boundary. The five year agreement allows fire-fighting and suppression resources to be shared between the paid-on-call fire departments serving Joe Rich and Big White. The agreement is a viable and cost effective option for additional equipment and fire-fighter resources if needed in either Fire Protection Area.

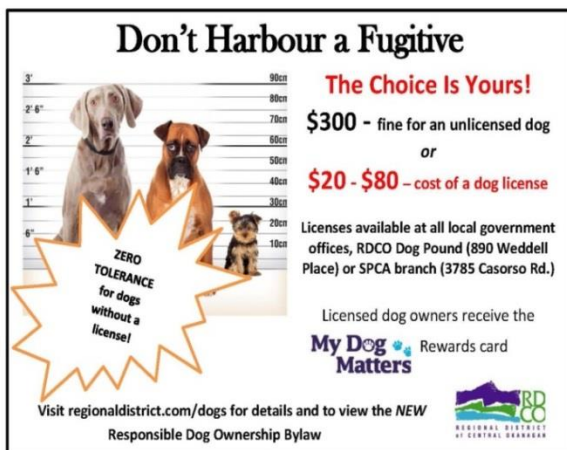

Secondary Suite Rezoning Application

Following the close of a Public Hearing, the Regional Board has given second and third reading to a Secondary Suite rezoning application. The proponent would like to develop a suite above an attached garage at 10357 Columbia Way in the Central Okanagan West Electoral Area. Final consideration of the Zoning Amendment Bylaw by the Regional Board will occur once approval is received from the Ministry of Transportation and Infrastructure.
