## Highlights of the Regional Board Meeting – July 14, 2016

### Lebanon Creek Greenway Contract

The Regional Board has approved a contract with the City of Kelowna for the operation and maintenance of city owned lands linking Lebanon Creek Greenway and Johns Family Nature Conservancy regional parks. It's envisioned that a linear recreational corridor will be created from a Lakeshore Road property owned by the RDCO to the Johns Family Nature Conservancy property. This partnership agreement is similar to the one between the City and Regional District for the Mission Creek Greenway which is operated and maintained as a regional park. The contract is subject to approval by Kelowna City Council.

### Temporary Use Permit Renewed

The Regional Board has given conditional approval to renew a Temporary Use Permit (TUP) for an additional three years to allow temporary farm worker housing on an agricultural property within the Central Okanagan East Electoral Area. The TUP renewal permit allows up to 14 temporary farm workers to live in temporary accommodation on a farm at 2711 Lakha Road. The renewal requires the applicant to meet a number of conditions identified by the Community Services Planning department.

### Crime Stoppers Service Conversion

The Regional Board has given three readings to a proposed Crime Stoppers Conversion and Establishment Bylaw. As well, the Board has approved using the Alternative Approval Process to confirm elector support. The existing Crime Stoppers program was initially established in 1988 by the Regional Board as a grant-in-aid under the Statutory Letters Patent. The Board now wishes to convert the program to a regional service delivery program. The bylaw will be submitted for approval by the Provincial Government. Once approval is received, staff will provide a report to the Board outlining details of the Alternative Approval Process this fall. If least 10% of the eligible electorate does not support establishing a regional Crime Stoppers service, the Regional Board would not consider adopting the bylaw without first putting it to a referendum.

### RDCO-WFN Community Forum Funding

The Regional Board has received a letter from the Union of BC Municipalities and First Nations Summit confirming funding under the Community to Community forum program. The Regional District will receive a grant totalling \$4,975 to assist with the cost of hosting a half day Cultural Sites Protection Forum with the Westbank First Nation. It's hoped with the participation of both the Westbank First Nation Council and Regional Board there will be an understanding of options for a joint management strategy to protect Okanagan syilx cultural features/sites within RDCO Regional Parks.

## I Hear I Need a License

All dogs in the Central Okanagan must be licensed each year - \$20 fixed / \$60 not fixed

Purchase a new license online at

[www.regionaldistrict.com/doglicense](http://www.regionaldistrict.com/doglicense)

Or at any local government office, Dog Pound (890 Weddell Place) or Kelowna SPCA

*A license provides a One-time free trip home; makes reuniting easy and helps fund food, shelter and care for lost and homeless dogs*

*365 days a year*

Licensed dog owners receive the benefits of the

**My Dog Matters**

Rewards program.

## MOSQUITOES BUGGING YOU?

## HELP PUT THE BITE ON WEST NILE VIRUS!

## MOSQUITO CONTROL WEST NILE PREVENTION

- 1) Remove any standing water that mosquitoes can breed in.
- 2) Change water twice a week in bird baths, plant pots and pet bowls.
- 3) Apply mosquito repellent containing DEET to exposed skin and reduce exposure during dawn and dusk when mosquitoes are most active.
