Highlights of the Regional Board Meeting – July 25, 2016

Statutory Meeting Date Changed

The Regional Board has approved an amendment to its Procedure Bylaw moving the annual Statutory Board meeting to the first meeting in November instead of the first meeting in December. The bylaw change is consistent with the updated Statutory meeting requirement in the Local Government Act and the new election cycle that begins with local government elections starting in October 2018. The Board has also approved moving this year's Statutory Meeting from Monday, December 5th to Thursday, November 10th.

Secondary Suite Applications

The Regional Board has adopted two separate bylaw amendment applications to allow secondary suites on properties in the Central Okanagan East and Central Okanagan West electoral areas.

- The application from the owner of a property in the 11200 block of Highway 33 east legalizes an existing secondary suite under the Joe Rich Rural Land Use Bylaw by an attached breezeway to an existing single-detached house on the .59-hectare property.
- The application from the owner of a property in the 4400 block of Maxwell Road allows a secondary suite to be included in a house that is under construction on the 2.5-hectare property.

Westside Road Property Rezoning

The Regional Board has given second and third reading to a rezoning application from Tolko Industries Limited for an 8.7-hectare property along Westside Road in the Central Okanagan West Electoral Area. The company is seeking a zoning in keeping with the future land use designation in the Rural Westside Official Community Plan and allowing a rural residential use consistent with the surrounding area. Final consideration and approval of this application will take place once several conditions are met including approval from the Ministry of Transportation and Infrastructure.

Electoral Areas Grant-in-Aid

The Regional Board has approved the following Electoral Area Grants-in-Aid:

- Central Okanagan West - \$351 to the BC Conservation Foundation to assist with delivery of WildSafe BC program
- Central Okanagan East - \$500 to the Ellison Parks and Recreation Society for the annual Scotty Creek Community BBQ
